

STYLES AVAILABLE

Choose from a variety of window and door styles that provide the best performance for your home – while framing your space with a look that makes it beautifully unique.

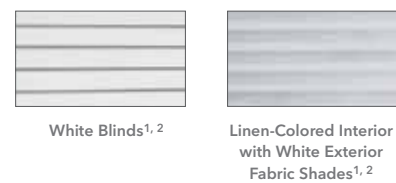

FRAME COLORS

Choose from colors that blend beautifully inside your home and out, including an optional dual-color frame.

PATIO DOOR BLINDS OR SHADES

Dress your sliding patio doors with blinds- or shades-between-the-glass.

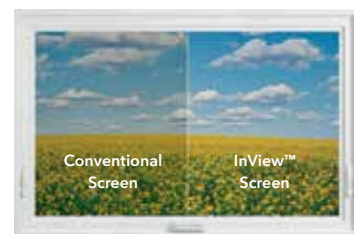

SCREENS³

Improve your view and let in more light and fresh air with your choice of innovative screens from Pella.

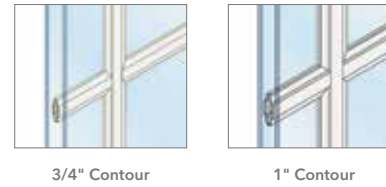

Rolscreen® soft-closing retractable screens roll out of sight when not in use.¹

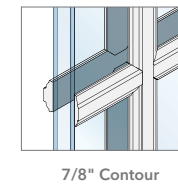

InView high-transparency screens let in 14% more light and are 8% more open for improved airflow.^{4,5}

GRILLES

Color-Matched Grilles-Between-the-Glass⁶

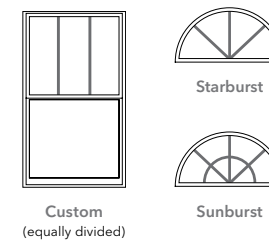

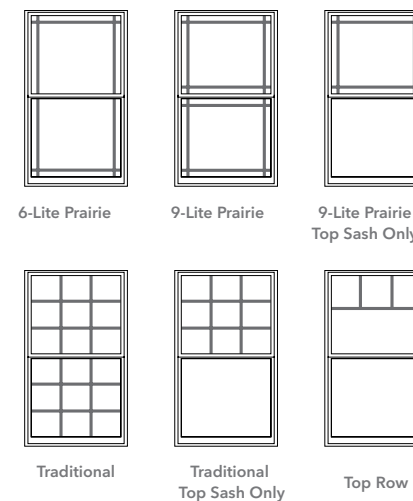

Color-Matched Simulated-Divided-Light^{5,7}

GRILLE PATTERNS⁸

A variety of grille patterns for the traditional look of divided light. Custom patterns are also available.

See a Pella professional for specific details and additional options available. Some features are part of our standard offering; not all options are available on all product styles.

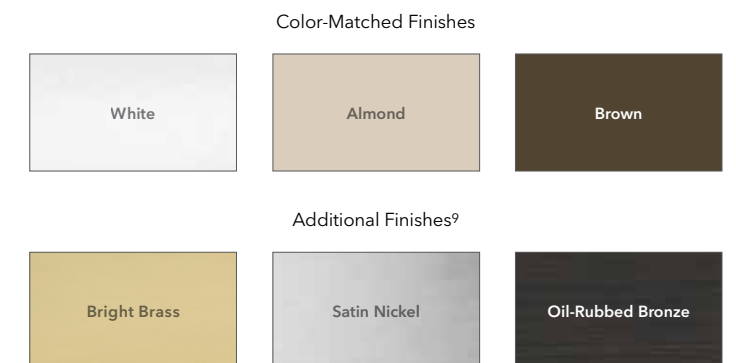

HARDWARE STYLES

Find beauty and function in Pella's innovative, easy-to-operate hardware styles.

HARDWARE FINISHES

Choose from today's most popular decorative finishes to coordinate with other finishes in your home.

¹ Available on sliding patio doors only.

² Not available on HurricaneShield® products.

³ ⚠️ WARNING: Screen will not stop child or pet from falling out of window or door. Keep child or pet away from open window or door.

⁴ Improved airflow is based on calculated screen cloth openness. Screen cloth transmittance was measured using an integrated sphere spectrophotometer.

⁵ Available on windows only.

⁶ Appearance of exterior grille color may vary depending on the Low-E insulating glass selection.

⁷ Not available with triple-pane glass.

⁸ Grille patterns offered may vary per product. See specific product information for availability.

⁹ Available on interior only.
